WHEN EVERY MOVE HURTS

Lame every morning, stiff and achy all day, worse when it's damp or chilly? Suspect your kidneys and try the remedy your neighbors use. Ask your neighbors.

Mrs. Carrie Long, 140 Tate's Creek avenue, Richmond, says: "A few years ago I was down with kidney trouble and for two months I suffered so I couldn't straighten my back or turn over in bed I was so helpless. Every time I moved the pain was so severe I would scream. My limbs and joints were stiff and swollen. I had dizzy, swimming sensation in my head and objects flashed before my eyes. My kidneys acted irregularly and although I tried all sorts of remedies I was not benefited until I was finally told of Doan's Kidney Pills by a friend. Doan's soon cured me of all signs of the trouble and I was able to do my work. My back was well and strong. (Statement given November 20, 1916).

On March 1, 1921, Mrs. Long added: "It has been a long time since I have needed Doan's Kidney Pills. Should I ever again need a kidney remedy I would certainly take Doan's."

BAPTISTS COLLECT \$25,000,000 CASH

REDEMPTION OF PLEDGES ENCOURAGING—SOUTHWIDE PROGRAM IS LAUNCHED.

COMPLETE GREATEST YEAR

Reports to Southern Baptist Convention at Chattanooga Show Marked Progress Along Every Line of Organized Work.

DR. J. H. RUSHBROOKE
Baptist Commissioner for Europe.

Collections in cash totaling \$25,103,424.64 have been made for general causes fostered by the Baptist 75 Million Campaign since the campaign was launched in 1919, according to a report to the Southern Baptist Convention, which has just adjourned its Chattanooga session, by Dr. L. R. Scarborough, general director of the campaign, and chairman of the Convention Commission. The fact that \$12,924,943.90 of this amount was collected during the past year, under the most depressing conditions known in years, is very encouraging to the denominational leaders, they say.

Will Seek the Unsaved.

Feeling the need of conserving the spiritual interests of the people as well as the financial aspects of the campaign, the convention asked the Convention Commission to seek to enlist, through the state and association organizations, all the 27,000 local Baptist churches in the South in a larger evangelistic effort during the next twelve months, the aim being to induce as many individual members of the churches as possible to win at least one soul to Christ during the new year. Reports to the convention showed that there were 173,595 persons received into the local Baptist churches by baptism during the past year, and a much larger number will be sought during the year ahead.

Would Evangelize Europe.

One of the interesting actions of the convention was the decision to back up fully the Foreign Mission Board in its program for the evangelization of the new European territory of Spain, Yugoslavia, Hungary, Roumania, the Ukraine and Southern Russia. Dr. J. H. Rushbrooke, of London, Baptist Commissioner for Europe, addressed the convention, telling how he had distributed the relief funds contributed by Baptists for the needy families of those countries and how the giving of this relief had opened wide the door of missionary opportunity.

Work on the older foreign field during the past year was unusually successful, the board reporting receipts of \$2,494,988 for its missionary operations and \$278,000 for relief work, as well as \$100,000 worth of clothing; 6,998 baptisms on the foreign fields; 187 of the 611 churches self-supporting, with a total of 405 foreign missionaries and 978 native workers employed.

Home Mission Board Active.

The Home Mission Board reported 77,072 additions to the churches through its instrumentalities, church extension operations of \$1,245,000, and 298 patients treated at the Tubercular Sanatorium at El Paso.

During the year the receipts of the Sunday School Board reached \$1,147,721.73, and the board turned back into general work of the denomination the sum of \$189,000.

Although only three years of age, the Relief and Annuity Board, which seeks to supply the needs of aged, dependent ministers and their families, has doubled the number of beneficiaries receiving aid from the denomination as well as the amount of relief given. It now has permanent resources in excess of \$500,000.

There are 119 Baptist educational institutions in the South, with a total enrollment of 40,000 pupils, the report of the Education Board showed, and 2,195 of these pupils are preparing for special Christian service, such as the ministry, missionary and other special religious work.

The Woman's Missionary Union, representing the organized women of the South, reports a total of 19,485 organized societies of women and young people, while the cash contributions by the women to the various causes fostered by the denomination during the year amounted to \$3,115,457.
